Sir,

Forwarded.

The Hospet Town is situated in the north west corner of the presidency on the borders of Nizams state of Bombay Presidency, and Sandur state, wherein major festivals namely, Huligamma Jatra in Huligi, Kumaraswami Jatra in Sandur state, Humpi Jatra in Humpi and Yennanur urs in Bombay presidency, are held annually and largely attended by the people from all parts of India. Owing to scarcity of rain in this famine stricken area, and due to absence of protected water supply,

P.T.O.

the town is subjected to frequent outbreak of epidemics.

The Health authorities from time to time have urged provision of water supply and drainage scheme to save the town from frequent outbreaks of the epedemics.

The resources of the municipality are so meagre that it cannot take up the scheme without special aid.

The Minister for Local Administration was pleased to promise during his visit in October 1939 to recommend to Government to give 3/4 grant on the scheme if precedents were shown. The Kurnool and Bellary Municipalities were given 3/4 grant for their original schemes.

The Council in its resolution No.947 dated 8-9-1939 has resolved to request Government to sanction 3/4 of the cost of scheme as grant. A copy of the same is herewith submitted.

I request that the Government may be pleased to view the case of this Municipality with sympathy and sanction 3/4 grant.

FD.

Water-Supply & Drainage Hospet Municipality - Request for special grant.

The Commr. of the Hospet Mkg. is informed that the question as to whether any and if so how much of the cost of a scheme can be met by the Govt. will have to be considered with reference to a particular scheme which has been sanctioned for execution. There is no water-supply or drainage scheme which has been sanctioned so far for the Hospet municipality and the question of the payment of a grant does not therefore arise at present
